

# Traveling Music Teacher Network

Welcome from T.M.T.N., the most convenient group of music teachers available for private music lessons. As a student you can expect the finest quality from your teacher; however, results from lessons are also dependent upon regular practice. Consistent effort will give good results to any student at any age.

Your teacher will recommend books and/or music for you. Please try to get these promptly. Lesson cost is determined by the length and location and begin at \$18.00 for each one-half hour at the teacher/\$25.00 in your home (usually one lesson per week). The length of lessons can be longer if the student/teacher feels the results would be better. We offer a discount for 1 hour or more in your home with 2 or more students being taught. (\$24 for each one-half hour). If teacher contact has not yet been made please call our office or the teacher number shown below. If unable to schedule with first instructor, call our office back for additional possibilities. A \$15 enrollment fee will be included on your first statement if continuing after 1st lesson. Payment is due in advance for scheduled month similar to any other educational program requiring tuition (this helps us get your teacher paid on time!) Credit for missed or canceled lessons on your part will not be given unless 24-hour notice is given to the teacher. A late fee of \$10 will be applied to your account if payment is not received 10 days from the date of your invoice (normally due on the 10th of the month). Make-ups are available at the teacher's discretion/availability. Unused tuition is refundable upon request.

Our best advertising is word of mouth. You can earn unlimited credits of \$10 towards lessons for any student who enrolls and begins lessons on a monthly basis. Simply have them call our regional office at 1-800-308-2529 and we will verify how they heard about T.M.T.N. with this mailing. All credits for referrals are included on your monthly statement upon receipt of the new students enrollment/tuition. Referrals given directly to your teacher will not help our organization of teachers. We have a wide variety of instrument instruction to offer, so please have referrals call our office or visit our web site at [www.travelingmusic.com](http://www.travelingmusic.com). You can e-mail us at [travelingmusic@cs.com](mailto:travelingmusic@cs.com). I agree to abide by the financial arrangement set forth by T.M.T.N. My signature below confirms I will make payment once lessons are scheduled/statement received. I understand that payment is sent to the T.M.T.N. regional office, NOT given to the individual teacher. All credit cards are accepted to make payment easier. Simply call our office monthly or ask to be placed on automatic payment processing.
